iT IS mONndAy morning aGain.... wAkKE UP! Time to gO to Work!!!!!!!!!!!!!!!

Cordell's Stress advice for the week:

**MONDAY MORNING IS A WONDERFUL THING FOR THOSE WHO LOVE WHAT THEY ARE DOING.
FOR THOSE WHO DO NOT LOVE MONDAY MORNING... THEY NEED TO CHANGE JOBS.**

Ten warning signs that will tell you if your are starting to be addicted to the Internet:

- 1. You find yourself typing "com" after every period when typing a letter.com.**
- 2. You turn off your modem and get this awful empty feeling, like you just pulled the plug on a loved one.**
- 3. You turn on your intercom when leaving the room so you can hear if new e-mail arrives.**
- 4. All of your friends have an @ in their names. 5. You check your mail. It says "no new messages." So you check it again.**
- 6. Your phone bill comes to your doorstep in a box.**
- 8. You wake up at 3 am to go to the bathroom and stop and check your e-mail on the way back to bed.**
- 9. You start to tilt your head sideways to smile. :-)**
- 10. Your wife says communication is important in a marriage so you buy another computer and install a second phone line so the two of you can chat.**

11.As your car crashes through the guardrail on a mountain road, your first instinct is to search for the "back" button.

12.You loose track of time and forget how to count simple things when they are in a list.

Make it a wonderful and happy week!!!!
The happy friends in your life,
