### WISDOM FOR THE WEEK:

(Contributed by Dennis Anderson.... Thanks Dennis)

An out-of-towner drove his car into a ditch in a desolated area. Luckily, a local farmer came to help with his big strong horse named Buddy.

He hitched Buddy up to the car and yelled, "Pull, Nellie, pull!"  
Buddy didn't move.

Then the farmer hollered, "Pull, Buster, pull!" Buddy didn't respond.

Once more the farmer commanded, "Pull, Coco, pull!" Nothing.

Then the farmer nonchalantly said, "Pull, Buddy, pull!" And the horse easily dragged the car out of the ditch.

The motorist was most appreciative and very curious. He asked the farmer why he called his horse by the wrong name three times.

The farmer said, "Oh, Buddy is blind and if he thought he was the only one pulling, he wouldn't even try!"

MoNdAy FuNnIeS:

A few months ago there was an opening with the CIA for an assassin. These highly classified positions are hard to fill and there's a lot of testing and background checks involved before you can even be considered for the position. After sending some applicants through the background checks, training and testing, they narrowed the possible choices down to 2 men and a woman, but only one position was available.

The day came for the final test to see which person would get the extremely secretive job. The CIA men administering the test took one of the men to a large metal door and handed him a gun. "We must know that you will follow instructions no matter what the circumstances" they explained. "Inside this room you will find your wife sitting in a chair. Take this gun and kill her." The man got a shocked look on his face and said, "You can't be serious! I could never shoot my wife!" "Well", says the CIA man, "Your definitely not the right man for the job then."

So they bring the second man to the same door and hand him a gun. "We must know that you will follow instructions no matter what the circumstances", they explained to the second man. "Inside you will find your wife sitting in a chair. Take this gun and kill her." The second man looked a bit shocked, but nevertheless took the gun and went in the room. All was quiet for about 5 minutes, then the door opened. The man came out of the room with tears in his eyes. "I tried to shoot her, I just couldn't pull the trigger and shoot my wife. I guess I not the right man for the job." "No" the CIA man replied, "You don't have what it takes. Take your wife and go home."

Now they're down to the woman left to test. Again they lead her to the same door to the same room and handed her the same gun. "We must be sure that you will follow instructions no matter what the circumstances, this is your final test. Inside

you will find your husband sitting in a chair. Take this gun and kill him."

The woman took the gun and opened the door. Before the door even closed all the way, the CIA men heard the gun start firing. One shot after another for 13 shots. They heard screaming, crashing, banging on the walls. This went on for several minutes, then all was quiet.

The door opened slowly, and there stood the woman. She wiped the sweat from her brow and said, "You guys didn't tell me the gun was loaded with blanks! I had to beat him to death with a chair!"

Make it a wonderful and happy week!!!!

The happy friends in your life,
