WISDOM FOR THE WEEK:

It's not what you were,

it's what you are today.

The scientist walked up to God and said, "God, we've decided that we no longer need you. We're to the point that we can clone people and do many miraculous things, so why don't you just go on and get lost."

God listened very patiently and kindly to the man and after the scientist was done talking, God said, "Very well, how about this, let's say we have a man making contest."

To which the scientist replied, "OK, great!"

But God added, "Now, we're going to do this just like I did back in the old days with Adam."

The scientist said, "Sure, no problem" and bent down and grabbed himself a handful of dirt.

God just looked at him and said, "No, no, no. You go get your own dirt!"

Make it a wonderful and happy week!!!!

The happy friends in your life,
