Wisdom For The Week:

THE FOUR SECRETS

There are only four secrets to staying young, being happy, and achieving success:

"You have to laugh and find humor every day.

"You've got to have a dream. When you lose your dreams, you die. We have so many people walking around who are dead and don't even know it!"

"There is a huge difference between growing older and growing up. Anybody can grow older. That doesn't take any talent or ability. The idea is to grow up by always finding the opportunity in change."

"Have no regrets. The elderly usually don't have regrets for what we did, but rather for things we did not do. The only people who fear death are those with regrets."

"We do not stop playing because we are old; we grow old because we stop playing.

A man gets a telephone call from a doctor. The doctor says: "About this medical test I did on you, I have some good news and some bad news."

The man asks for the good news first:

"The good news is that you have 24 hours to live," says the doctor.

The man, incredulously: "If that is the good news, then what is the bad news??"

"I couldn't get a hold of you yesterday."

Make it a wonderful and happy week!!!!
