## Wisdom For The Week:

(Contributed by Willie Solig.... Thanks Willie and welcome to MoNdAy FuNnIeS)

"Nothing in the world can take the place of persistence.  
Talent will not; nothing is more common than unsuccessful men with talent.  
Genius will not; unrewarded genius is almost a proverb.  
Education alone will not; the world is full of educated derelicts.  
Persistence and determination alone are omnipotent."  
--Calvin Coolidge

"IN PRISON you spend the majority of your time in an 8 x 10 cell.
AT WORK you spend most of your time in a 6 x 8 cubicle.

"IN PRISON you get three meals a day.
AT WORK you only get a break for one meal and you have to pay for that.

"IN PRISON you get time off for good behavior.
AT WORK you get rewarded for good behavior with more work.

"IN PRISON a guard locks and unlocks all the doors for you.
AT WORK you must carry around a security card and unlock all the doors for yourself.

"IN PRISON you can watch TV and play games.
AT WORK you get fired for watching TV and playing games. (Except Civil Servants)

"IN PRISON you get your own toilet.
AT WORK you have to share with all the messy people in the building.

"IN PRISON they allow your family and friends to visit.
AT WORK you cannot even call your family and friends on the phone.

"IN PRISON all expenses are paid by taxpayers with no work required
AT WORK you get to pay all the expenses to go to work and then they deduct taxes from your salary to pay for the prisoners.

"IN PRISON you spend most of your life looking through bars wanting to get out.
AT WORK you spend most of your time wanting to get out and go into bars.

"IN PRISON there are Wardens who are often sadistic.

AT WORK they are called Managers.

PLAGIARISM is when you steal material from one person.
Material stolen from many sources is called RESEARCH!
These jokes were "RESEARCH"
