## Wisdom For The Week:

Nobody can make you feel inferior without your permission.

## YOUR DAILY MOMENT OF ZEN

Do not walk behind me, for I man not lead.  
Do not walk ahead of me, for I may not follow.  
Do not walk beside me, either.  
JUST LEAVE ME ALONE.

The journey of a thousand miles may begin  
with a broken fan belt or a leaky tire.

Don't be irreplaceable. If you can't be  
replaced, you can't be promoted either.

No one is listening  
until you make a mistake.

Always remember you are unique,  
just like everyone else.

Never test the depth of the water  
with both feet.

It may be that your sole purpose in life is simply  
to serve as a warning to others.

If you think nobody cares if you're alive,  
try missing a couple of car payments.

Before you criticize someone, you should  
walk a mile in their shoes. That way, when  
you criticize them, you're a mile away and  
you have their shoes.

If at first you don't succeed,  
skydiving is not for you.

If you lend someone \$20,

and you never see that person again,  
it was probably worth it.

If you tell the truth,  
you don't have to remember anything.

Some days you are the bug,  
some days you are the windshield.

Good judgment comes from bad experience,  
and a lot that bad experience  
comes from bad judgment.

The quickest way to double your money  
is to fold it in half  
and put it back in your pocket.

A closed mouth gathers no foot.

There are two theories to arguing with women.  
Neither one works.

Generally speaking,  
you aren't learning much  
when your mouth is moving.

Experience is something you don't get  
until just after you need it.
