Wisdom For The Week:

Are you strong enough to handle critics?

"It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; who errs, and comes short again and again, because there is no effort without error and shortcoming; but who does actually strive to do the deeds; who knows the great enthusiasms, the great devotions; who spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement, and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat."

A: If it's the flu, you'll get better.

A: Yes, your bladder.

Q: What is the most common pregnancy craving?

A: For men to be the ones who get pregnant.

Q: What is the most reliable method to determine a baby's sex?

A: Childbirth.

Q: The more pregnant I get, the more often strangers smile at me. Why?

A: 'Cause you're fatter than they are.

A: Whatever she says divided by two.
Q: When is the best time to get an epidural?
A: Right after you find out you're pregnant.
Q: Is there any reason I have to be in the delivery room while my wife is in labor?
A: Not unless the word "alimony" means anything to you.
Q: Is there anything I should avoid while recovering from childbirth?
A: Yes, pregnancy.
Q: Do I have to have a baby shower?
A: Not if you change the baby's diaper very quickly.
Q: Our baby was born last week. When will my wife begin to feel and act normal again?
A: When the kids are in college
