Wisdom For The Week:

For a full day, listen to your language and to the language of the people around you. How often do you use and hear reactive phrases such as "If only," "I can't," or "I have to"?

Seems like there are lots of cat and dog jokes floating around...

Here is one contributed by Walter & Linda Howard... Thanks Walter & Linda

HI DOGIE AND KITTY LOVERS-----ENJOY

1. Dogs will tilt their heads and try to understand every word you say. Cats will ignore you and take a nap.
2. Cats look silly on a leash.
3. When you come home from work, your dog will be happy and lick your face. Cats will still be mad at you for leaving in the first place.
4. Dogs will give you unconditional love until the day they die. Cats will make you pay for every mistake you've ever made since the day you were born.
5. A dog knows when you're sad. And he'll try to comfort you. Cats don't care how you feel, as long as you remember where the can opener is.
6. Dogs will bring you your slippers. Cats will drop a dead mouse in your slippers.
7. When you take them for a ride, dogs will sit on the seat next to you. Cats have to have their own private basket, or they won't go at all.
8. Dogs will come when you call them. And they'll be happy. Cats will have someone take a message and get back to you.

9. Dogs will play fetch with you all day long. The only thing cats will play with all day long are small rodents or bugs, preferably ones that look like they're in pain.

10. Dogs will wake you up if the house is on fire. Cats will quietly sneak out the back door.
