* I have always thought the actions of men the best interpreters of their thoughts. (John Locke)

* Every problem has a gift for you in its hands. (Richard Bach)

* If you can't be a good example, then you'll just have to be a horrible warning. (Catherine Aird)

* Efforts and courage are not enough without purpose and direction. (John F. Kennedy)

Special Note from Cordell:

I don't know if all of you got the announcement, but because the Presidential race is so close and they are planning on such a big turnout, they have decided to let all the Democrats vote on Wednesday instead of Tuesday. So if you are a Democrat please come to the polls on Wednesday. (It is just a joke....OK?)

(This contributed by Nancy Forrest... Thanks Nancy)

The police pulled over a speeder. When the policeman asked why he was going so fast the speeder said he was just trying to keep up with the traffic. The policeman pointed out that there were no other cars on the road. To that the speeder replied, "Well then you can see how far a head of me they all have gotten".

Make it a wonderful and happy week!!!!

The happy friends in your life,
