Wisdom For The Week:

(Contributed by Jeanne Laudenberg Thanks Jeanne)

"If you have an apple and I have an apple and we exchange apples then you and I will still each have one apple. But if you have an idea and I have an idea and we exchange these ideas, then each of us will have two ideas."

Adam had been in the Garden for a long time and he finally said to God that he was lonely. God told Adam that he would provide a companion for him called " woman".

Adam asked what a "woman " would be like. God told him that a woman would comfort him when he was feeling down, and cook for him and clean for him and NEVER argue with him and take the blame for anything that went wrong. She would continually give him pleasure. She would never ask him to do anything that he did not want to do, and would give him all of her attention.

Adam asked God what something like this would cost. God told him that it would cost him an arm and a leg.

Adam thought for a moment, then asked : " What can I get for a rib?".....

Make it a wonderful and happy week!!!!

The happy friends in your life,
