Wisdom For The Week:

(Contributed by Chris Anderson.... Thanks Chris)

A brain teaser for the wise:

Read this:

FINISHED FILES ARE THE RE-
SULT OF YEARS OF SCIENTIF-
IC STUDY COMBINED WITH
THE EXPERIENCE OF YEARS.

Now count the F's in that sentence.
Count only once, don't go back a 2nd time.

Answer:

There are six F's in the sentence.
A person of average intelligence finds three of them.
If you spotted four, you're above average.
If you got five, you can turn your nose at most anybody.
If you caught six, you are a genius.

There is no catch. Many people forget the "OF"'s. The human
brain tends to see them as V's and not F's.

(Contributed by Sue De Walt Thanks Sue)

A young brunette goes into the doctor's office and says that her body

hurts wherever she touches it.

"Impossible," says the doctor. "Show me."

She takes her finger and pushes her elbow and screams in agony. She pushes her knee and screams, pushes her ankle and screams and so it goes on. Everywhere she touches makes her scream.

The doctor thinks for a minute and says, "You're not really a brunette, are you?"

She says, "No, I'm really a blonde."

"I thought so," he says. "Your finger is broken."

Make it a wonderful and happy week!!!!

The happy friends in your life,
