Wisdom For The Week:

(Contributed by Arnold Conrad Thanks Arnold.....)

ONE LINERS TO THINK ABOUT

Forbidden fruits create many jams
He who angers you, controls you!
He who is good at making excuses, is seldom good for much else.
Kindness is difficult to give away, because it keeps coming back.
Never give the devil a ride! He will always want to drive!
Nothing ruins the truth like stretching it.
Plan ahead. It wasn't raining when Noah built the ark.
Watch your step carefully! Everyone else does!
If we don't change the Message, the Message can change us.
Worry is the darkroom in which "negatives" are developed.

She's Paying Her Taxes

I was nervously, and unhappily, conversing with the IRS Tax auditor who had come to review my records.

At one point the auditor exclaimed, "Ms. Bobkin, we feel it is a great privilege to be allowed to live and work in the United States of America. As a citizen you have an obligation to pay taxes, and we expect you to eagerly pay them with a smile."

"Thank goodness," I replied, with a giant grin on my face from ear to ear.
"I thought you were going to want me to pay with cash!"

Secret Formula

The police in Willoughby County, New Hampshire recently busted a man selling "secret formula" tablets that he claimed gave eternal youth.

When going through their files the local police noticed it was the fifth time he was arrested for committing this exact same medical fraud.

He had earlier been arrested in 1794, 1856, 1928 and 1983.

### **Prompt Service**

A customer sent an order to a distributor for a large amount of goods totaling a great deal of money.

However, the distributor noticed that the previous bill hadn't been paid.

The collections manager for the distributor called the customer and left a voice-mail for them saying, "We can't ship your new order until you pay for the last one."

The next day the collections manager received a collect phone call from the customer who said, "Please cancel the order. We can't wait that long."
