Wisdom For The Week:

When you fight fire with fire
all you have left is ashes
and ashes
and ashes

YOU THOUGHT YOU WERE HAVING A BAD DAY

1. The average cost of rehabilitating a single sea otter after the Exxon Valdez oil spill in Alaska was \$80,000. At a special ceremony, two of the most expensively saved animals were released back into the wild amid cheers and applause from onlookers. A minute later, in full view, they were both eaten by a killer whale.
2. A psychology student in New York rented out her spare room to a carpenter in order to nag him constantly and study his reactions. After weeks of needling, he snapped and beat her with an axe, leaving her mentally retarded.
3. A woman came home to find her husband in the kitchen, shaking frantically with what looked like a wire running from his waist towards the electric kettle. Intending to jolt him away from the deadly current, she whacked him with a handy plank of wood by the back door, breaking his arm in two places. Until that moment he had been happily listening to his Walkman.
4. Two animal rights protesters were protesting the cruelty of sending pigs to a slaughterhouse in Bonn. Suddenly the pigs, all two thousand of them, escaped through a broken fence and stampeded, trampling the two hapless protesters to death.
5. Iraqi terrorist, Khay Rahnajet, didn't pay enough postage on a letter bomb. It came back with "return to sender" stamped on it. Forgetting it was the bomb, he opened it and was blown to bits.

Make it a wonderful and happy week!!!!
The happy friends in your life,
