Wisdom For The Week:

(Contributed by Ken Tucker.... Thanks Ken)

Audrey Hepburn wrote the following when asked to share "beauty tips":

1. For attractive lips, speak words of kindness.
2. For lovely eyes, seek out the good in people.
3. For a slim figure, share your food with the hungry.
4. For beautiful hair, let a child run his or her fingers through it once a day.
5. For poise walk with the knowledge that you never walk alone.
6. People, even more than things, have to be restored, revived, reclaimed and redeemed; never throw out anyone.
7. Remember that if you ever need a helping hand, you'll find one at the end of each of your arms. As you grow older, you will discover that you have two hands: one for helping yourself, the other for helping others.
8. The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair. The beauty of a woman must be seen from inside her eyes, because that is the doorway to her heart, the place where love resides.
9. The beauty of a woman is not in a facial mode, but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows.
10. The beauty of a woman grows with the passing years.

PET FISH

A man was stopped by a game warden in Northern Michigan recently with two buckets of fish leaving a lake well know for its fishing.

The game warden asked the man, "Do you have a license to catch those fish?"

The man replied to the game warden, "No, sir. These are my pet fish." Pet fish?!" the warden asked.

"Yes, sir. Every night I take these here fish down to the lake and let them

swim around for a while. I whistle and they jump back into their buckets, and I take em home."

That's a bunch of hooey! Fish can't do that!"

The man looked at the game warden for a moment, and then said, "Here, I'll show you. It really works."

"O.K. I've GOT to see this!" The game warden was curious, now.

The man poured the fish in to the lake and stood and waited.

After several minutes, the game warden turned to the man and said, "Well?"

"Well, What?" the man responded.

"When are you going to call them back?" The game warden prompted.

"Call who back?" The man asked.

"The fish." replied the warden.

"What fish?" The man asked.

Make it a wonderful and happy week!!!!
