Our attempt to help you smile every Monday Morning

Even when there seems to be nothing to smile about this week.

## Wisdom For The Week:

LOOKING AT THE COMING EVENTS OF THE WORLD, IT WOULD APPEAR THAT NOW, FOR THE FIRST TIME IN THEIR LIFE, SOME OF OUR YOUTH WILL BEGIN TO REALIZE THAT FREEDOM REALLY WAS BOUGHT WITH THE BLOOD OF OUR PATRIOTS. THEY ARE ABOUT TO SEE IT FIRST HAND!

PLEASE GOD, BLESS AMERICA ONE MORE TIME!!!

WAR!!!!

Congress has authorized President Bush to have the power to declare War. And now he has declared war on terrorism. Our navy ships at this very hour are streaming towards the Persian Gulf. There will be war again now, it can not be stopped.

I have been to war. I left my new bride and 1 year old child and did not know if I would ever come back. I have many dear friends who did not come back from that war. Except for the grace of God and the prayers of protection of my family and friends, I almost did not make it back myself several times. I know the horror of war.

But how can we not go to war now. Who is going to stop this mad man if we do not. And when we start this war, as ever before, more of our young men and women will die as sure as the sun comes up. Who will explain to their mothers that it was necessary that they too must give their lives to keep this world free and stop terrorism. Will they understand the price that was paid with the life of their child?

So many lives have been lost already this week, yet it seems inevitable that more will yet need to be lost to stop this madness. Look at the cost of lives to stop Hitler.

Oh the price of freedom. And such a tragedy that the price has to be paid with the blood of own young men and women. But I know they will go willingly. I went of my own free will and choice because I believed it was necessary and right even if it cost me my life. They will go too. But I promise you, some will not come back.

Let us all pray for a quick resolve of these troubles with the least possible loss of life, that we may have peace again in the world.

May God hear our prayers and Bless America in this dark hour and all in the world who belive in

freedom and who will help us to stand for freedom and right.

The little boy wasn't getting good marks in school. One day he quite surprised the teacher.

He tapped her on the shoulder and said, "I don't want to scare you, but my daddy says if I don't get better grades somebody is going to get a spanking!"

Make it a wonderful and happy week!!!!

The happy friends in your life,
