Our attempt to help you smile every Monday Morning

~~~~~

Because I changed jobs (AGAIN) last month, I now work in Everett, WA during the week (a 2 hour drive from home). So I only come back home on the weekends. That means when I run out of time doing the Funnies, as I often do, on the weekends, I cant catch up like I used to and do the Funnies on Tuesday.

ALSO: Where ever I have ever worked (and we wont talk about defining "work" here...) I have always hang the funnies up on the wall of my cubical every Monday Morning. After 4 weeks at my new job, everyone started to complain that there were only new funnies on Monday. So I changed the format for them. Now I have a new joke hanging on my cubical wall every day for them to come look at. (It is funny how many friends I have made as they come to read my Funnies over the years.....) So I will start this week to share with you the new cubical wall format with a "joke of the day" that I hang up at work. Hope you will have the discipline to not read the joke of the day until the right day. THIS IS A TEST..... ha ha ha

## Monday

NEW EMPLOYEE:

One day a secretary is leaving on her lunch break, and she notices a new employee standing in front of a shredder with a clueless look on his face. The secretary walks up to him and asks if he needs help.

"Yes!" he says looking and sounding relieved, "This is very important."

"Glad to help", she says and turns the shredder on, inserting the paper.

Then the new employee says, "Thanks, I only need one copy."

## Tuesday

SPRING BREAK

Four college students were wanting an extra spring break so they took off for the beach. The next day they went up after class told the professor they had missed class the day before because they had a flat tire. The professor said that was too bad because they had missed an oral pop quiz test. But he said they could make it up. He had the students each sit in a different corner of the room. He said, "The first question is, WHICH TIRE WENT FLAT?"

## Wednesday

IN ONE OF THE LOST BOOKS OF THE OLD TESTAMENT THE BIBLE SAYS:

Abraham and Sarah his wife had started a lost camel locating business. One day Sarah did say, "Oh, Abraham, what we hath started is being taken over by others." And as Abraham looked out over the Bay of Ezekiel, or as it came to be known "eBay" he said, "We need a name that reflecteth what we are,"

And Sarah replied, let us be known as "Young Ambitious Hebrew Owner Operators." "YAHOO", said Abraham, "That is very good. Let it be so".

And that is how it all began; it wasn't Al Gore after all.
