## Wisdom For The Week :

I know we have had this before but it is so profound I want to do it again. It is a quote from Jim Rhone:

Set your goals high, not to get what you want,  
BUT FOR WHAT IT WILL MAKE OF YOU TO ACHIEVE THEM.

I love that quote.... Cv

(Contributed by Don Stafford.... This has to be one of the funniest jokes anyone ever sent to me. Thanks Don)

A few days ago I was having some work done at my local garage. A blonde came in and asked for a seven-hundred-ten. We all looked at each other and another customer asked, "What is a seven-hundred-ten?" She replied, "You know, the little piece in the middle of the engine. I lost it and need a new one. It had always been there."

The mechanic gave the blonde a piece of paper and a pen and asked her to draw what the piece looked like. She drew a circle and in the middle of it wrote 710. He then took her over to another car which had the hood up and asked, "Is there a 710 on this car?"

She pointed and said, "Of course, it's right there."

SCROLL DOWN TO SEE WHAT SHE POINTED TO

That is so funny.... Thanks Don....
