## Wisdom For The Week :

Each time, after experiencing inferior service, food, or products, always bring it to the attention of the person in charge. Good McDonald's managers always appreciate knowing about it.

ICE FISHING

There was this "enthusiastic sports person" who really wanted to go ice fishing. The "enthusiastic sports person" had seen many books on the subject and finally, after getting all the necessary tools together, the "enthusiastic sports person" made for the nearest frozen lake.

After positioning the comfy footstool, the "enthusiastic sports person" started to make a circular cut in the ice.

Suddenly -- from the sky -- a voice boomed, "THERE ARE NO FISH UNDER THE ICE!"

Startled, the "enthusiastic sports person" moved further down the ice, poured a cup of cappuccino from the thermos, and began to cut yet another hole.

Again, from the heavens, the voice bellowed, "THERE ARE NO FISH UNDER THE ICE!"

The "enthusiastic sports person", now quite worried, moved way down to the opposite end of the ice, set up the stool, and tried again to cut a hole.

The voice came once more, even louder: "THERE ARE NO FISH UNDER THE ICE!"

The "enthusiastic sports person" stopped, looked skyward, and said, "Is that you, Lord?"

The voice replied, "NO, THIS IS THE ICE RINK MANAGER!"
