## Wisdom For The Week :

What Goes Around Comes Around

Although this married couple enjoyed their luxury fishing boat together, it was the husband who was behind the wheel operating the boat. He was concerned about what might happen in an emergency. So one day out on the lake he said to his wife, "Please take the wheel, dear. Pretend that I am having a heart attack. You must get the boat safely to shore." So she drove the boat to shore.

Later that evening, the wife walked into the living room where her husband was watching television. She sat down next to him, switched the TV off, and said to him, "Please go into the kitchen, dear. Pretend I'm having a heart attack. You must set the table, cook the dinner, and wash the dishes."

A farmer walked into an attorney's office wanting to file for a divorce. The attorney asked, "May I help you?" The farmer said, "Yea, I want to get one of those dayvorce's."

The attorney said, "well do you have any grounds?" The farmer said, "Yea, I got about 140 acres." The attorney

said, " No, you don't understand, do you have a case?"
The farmer said, "No, I don't have a Case, but I have a John Deere."

The attorney said, "No you don't understand, I mean do you have a grudge?" The farmer said, "Yea I got a grudge, that's where I park my John Deere." The attorney said, "No sir, I mean do you have a suit?"

The farmer said, "Yes sir, I got a suit. I wear th to church on Sundays."

The exasperated attorney said, "Well sir, does your wife beat you up or anything?"

The farmer said, "No sir, we both get up about 4:30."

Finally, the attorney says, "Okay, let me put it this way. "WHY DO YOU WANT A DIVORCE?"

And the farmer says, "Well, I can never have a meaningful conversation with her.

Consumer TipS

If you wrap celery in tinfoil when you put it in the fridge it will last and last and last.

Don't ask me why. It is just a consumer tip I heard on the radio.
