## MoNdAy FuNnIeS

(Contributed by Linda Perkes)

A little boy opened the big family bible. He was fascinated as he fingered through the old pages. Suddenly, something fell out of the Bible. He picked up the object and looked at it. What he saw was an old leaf that had been pressed in between the pages.

"Mama, look what I found", the boy called out. "What have you got there, dear?"

With astonishment in the young boy's voice, he answered, "I think it's Adam's underwear!"

## Consumer Tips

Places like QFC, SAFEWAY, and COSTCO are starting to let you use your member card and then the gas is normally 3 cents a gallon cheaper. That helps a little.

**HOWEVER!!!!**

It is so amazing that we were paying \$1.20 to \$1.30 a gallon for gas a few months ago and the Oil people wanted to raise the gas prices about 20 to 30 cents a gallon but knew we would all have a fit.

Then the strike in Venezuela and the Iraq war came along and

they saw their opportunity. They raised the price of gas nation wide to \$1.90 + a gallon for a few months and now they are being nice to us and lowering it back down a little to a lower price again.

Now we are all so happy to only have to pay \$1.40 or \$1.50 a gallon which is about 20 to 30 cents higher than before which is what they wanted. We all feel so good about the new lower "post war" gas prices that no one is saying anything about it being 20 to 30 cents a gallon higher than before and they are laughing all the way to the bank. (WHO EVER "THEY" ARE)

They did the same thing to us during the Gulf War in 1991. It was \$.85 a gallon and they raised it up to \$1.50 during the war, then after the war they were nice to us and took it back down to..... \$1.20

Isn't Greed a wonderful thing?
