As taken from the personnel files of employees in a large US corporation:

"Since my last report, this employee has reached rock bottom..and.. has started to dig."

"His men would follow him anywhere, but only out of morbid curiosity."

"This employee is really not so much of a 'has-been', but more of a definite won't be'."

"Works well when under constant supervision and cornered like a rat in a trap."

"When she opens her mouth, it seems that it is only to change feet."

"He would be out of his depth in a parking lot puddle."

"This young lady has delusions of adequacy."

"He sets low personal standards and then consistently fails to achievethem."

If you have a teen with skin troubles you might try this:

Honey remedy for Skin Blemishes.....Cover the blemish with a dabof honey and place a band-aid over it. Honey kills the bacteria, keeps the skin sterile, and speeds healing. Works overnight.
