Perspective

One day a father of a very wealthy family took his son on a trip to the country with the firm purpose of showing his son how poor people can be. They spent a couple of days and nights on the farm of what would be considered a very poor family.

On their return from their trip, the father asked his son, "How was the trip?"

"It was great, Dad."

"Did you see how poor people can be?" the father asked.

"Oh Yeah" said the son.

"So what did you learn from the trip?" asked the father.

The son answered, "I saw that we have one dog and they had four."

"We have a pool that reaches to the middle of our garden and they have a creek that has no end."

"We have imported lanterns in our garden and they have the stars at night."

"We have a small piece of land to live on and they have fields that go beyond our sight."

"We buy our food, but they grow theirs."

"We have walls around our property to protect us, they have friends to protect them."

With this the boy's father was speechless.

Then his son added, "Thanks dad for showing me how poor we are."

Too many times we forget what we have and concentrate on what we don't have.

It is all based on one's perspective. Take joy in ALL you have, especially your friends.
