## Wisdom For The Week :

### GAS PRICES:

I would like to ask you one more time to join us in our boycott of the three biggest gas companies. Exxon/Mobil Chevron/Texaco and Shell to force them to lower their gas prices down to a reasonable price.

This will not work if I just do it myself. It will not work if only you and I do it alone. It will only work if I do it and you do it and we get all our family and friends to join us and ask them to get their family and friends to help. **There is only consumer power in numbers.** It will take millions of us doing it all at the same time to make a difference.

We have to do something to stop this price gouging. If we act together we can make them stop it. Will you join me? Will you write to your friends or call them and ask them to join us? We just can not go on doing nothing. I hope you will not be content to just pay the prices and say nothing.

For a month now we have been purchasing gas from Safeway, Costco, Fred Myers, CITCO 7-11 and 76 stations and our cars seem to run just as well as with the Cheveron/Texaco gas we were buying.

Please join us in doing something to make a difference.

(Two Jokes Contributed by John Bernhard thanks John)

A girl was visiting her friend who had acquired two new dogs, and asked her what their names were.

The friend responded by saying that one was named Rolex and one was named Timex.

Her friend said, "Whoever heard of someone naming dogs like that?"

"HellOOOooo," answered the friend..... "They're watch dogs!"

**Now here's a reaaaaal groaner**

Well, Girl Potato and Boy Potato had eyes for each other, and finally they got married, and had a little sweet potato, which they called Yam. Of course, they wanted the best for Yam.

After she grew up and was no longer a 'tater tot' they talked to her about going to college so she would not go out into the world half-baked. They warned her to watch who her friends were so she would not get a bad name for herself like 'Hot Potato. Yam said not to worry, no Spud friends would make a rotten potato out of her! But on the other hand she wouldn't stay home and become a "Couch Potato" either.

They also warned her be careful how she drove her car so she wouldn't accidentally becoming a "mashed Potato", and she

promised them she would get plenty of exercise so as not to be skinny like her "Shoestring" cousins.

When she went off to Europe, Mr. and Mrs. Potato told Yam to watch out for the "hard-boiled" guys from Ireland. And the greasy guys from France called the "French Fries". And when she went out old wild west, to watch out for the Indians so she wouldn't get "scalped".

Mr. and Mrs. Potato sent Yam to Idaho P.U. (that's Potato University) so that when she graduated she'd really be in the "Chips".

But in spite of all they did for her, one-day Yam came home and announced she was going to marry Tom Brokaw.

Tom Brokaw! Mr. and Mrs. Potato were very upset. They told Yam she couldn't possibly marry Tom Brokaw because he's just.....

Are you ready for this?

.....A COMMON TATER !!

ConsumerTipS

Now we are coming into winter you may have trouble keeping salt dry in your salt shakers. If you have never heard of it before, just put a little rice in the salt shaker with the rice and you will have no "DAMP SALT" problems again.
