## Wisdom For The Week :

(Contributed by Liisa Berg... Thanks Liisa)

We don't see things as they are; we see them as we are.

Anais Nin

(Contributed by John Bernhard.... Thanks John)

(I changed the hair color and the gender to protect the innocent)

RIVER WALK:

There's this (Red, Black, Brown haired man or woman) out for a walk. (She or He) comes to a river and sees another (Red, Black, Brown haired man or woman) on the opposite bank. "Yoo-hoo" (She or He) shouts, "how can I get to the other side?"

The second (Red, Black, Brown haired man or woman) looks up the river then down the river then shouts back, "You are on the other side."

KNITTING:

A highway patrolman pulled alongside a speeding car on the freeway.

Glancing at the car, he was astounded to see that the (Red, Black, Brown haired man or woman) behind the wheel was knitting!

Realizing that (She or He) was oblivious to his flashing lights and siren, the trooper cranked down his window, turned on his bullhorn and yelled, "PULLOVER!"

"NO," the (Red, Black, Brown haired man or woman) yelled back, "IT'S A SCARF!"

(RED, BLACK, BROWN HAISED MAN OR WOMAN) ON THE SUN:

A Russian, an American, and a (Red, Black, Brown haired man or woman) were talking one day.

The Russian said, "We were the first in space !"

The American said, "We were the first on the moon !"

The (Red, Black, Brown haired man or woman) said, "So what, we're going to be the first on the sun !"

The Russian and the American looked at each other and shook their heads.

"You can't land on the sun, you idiot!

You'll burn up!" said the Russian.

To which the (Red, Black, Brown haired man or woman) replied,

"We're not stupid, you know...We're going at night!"

SPEEDING TICKET:

A police officer stops a (Red, Black, Brown haired man or woman) for speeding

and asks her very nicely if he could see her license.

(She or He) replied in a huff, "I wish you guys would get your act together.

Just yesterday you take away my license and then today you expect me to show it to you!"

THE VACUUM:

A (Red, Black, Brown haired man or woman) was playing Trivial Pursuit one night.

It was her turn.

(She or He) rolled the dice and (She or He) landed on "Science & Nature."

Her question was, "If you are in a vacuum and someone calls your name, can you hear it?"

(She or He) thought for a time and then asked, "Is it on or off?"

FINAL EXAM:

The (Red, Black, Brown haired man or woman) reported for her university final examination that consists of "yes/no" type questions. (She or He) takes her seat in the examination hall, stares at the question paper for five minutes, and then in a fit of inspiration takes her purse out, removes a coin and starts tossing the coin and marking the answer sheet

"Yes" for Heads and "No" for Tails.

Within half an hour (She or He) is all done, whereas the rest of the class is sweating it out. During the last few minutes, (She or He) is seen desperately throwing the coin, muttering and sweating.

The moderator, alarmed, approaches her and asks what is going on.

"I finished the exam in half an hour, but I'm rechecking my answers."

# Consumer Tips

Contributed by Patty aka ... Patricia ..... Thanks Patty)

If you would like to check things out that you get in your email to know if they a hoax or not, a good resource is

<http://hoaxbusters.ciac.org/>, which documents and explains many Internet hoaxes. It also explains how to detect them - what the warning signs are.

~~~~~

FOR EXAMPLE: There is an e-mail message circulating, urging veterans to boycott Target because a solicitation request to support "The Moving Wall" was denied. THAT IS TOTALLY FALSE AND A HOAX.

~~~~~

**From last week:** You are not going to believe this. I work out of town and only come home on the weekends. On Monday I got a little sliver in the bottom of my foot. It was so far on the bottom of my foot that I could not see to remove it. So what do you do? Ask a fellow employee to help you...? I'm sure! Then inspiration struck. Why not take my own advice. Remembering last weeks Consumer Tip, I put glue on it. Let it dry peeled the glue off and presto.... the sliver was gone. Go figure! Cordell
