## Wisdom For The Week :

New Year resolutions are just wishes  
Unless you write them down,  
Read them every day,  
And have steps to their completion date

THE POSITIVE SIDE OF LIFE

Living on Earth is expensive, but it does include a free trip around the sun every year.

How long a minute is depends on what side of the bathroom door you're on.

Birthdays are good for you; the more you have, the longer you live.

Happiness comes through doors you didn't even know you left open.

Ever notice that the people who are late are often much jollier than the people who have to wait for them?

Most of us go to our grave with our music still inside of us.

If Wal-Mart is lowering prices every day, how come nothing is free yet?

You may be only one person in the world, but you may also be the world to one person.

Some mistakes are too much fun to only make once.

Don't cry because it's over; smile because it happened.

We could learn a lot from crayons: some are sharp, some are pretty, some are dull, some have weird names, and all are different colors....but they all exist very nicely in the same box.

A truly happy person is one who can enjoy the scenery on a detour.

## Consumer Tips

If it is really really cold and you are afraid your pipes might freeze during that cold spell, just leave them dripping a tiny bit. Running water will not freeze.

Make it a wonderful and happy week!!!!
