## Wisdom For The Week :

We often say we will do it tomorrow but then we never seem to. If you haven't told someone close to you that you love them today, would you let me encourage you to not put it off another day? Tomorrow they may be gone and then it will be too late.

## MoNdAy FuNnIeS

This is priceless

If Abbott and Costello were still around today, their famous sketch "Who's on first?" might have turned out something like this.

Costello calls to buy a computer from Abbott.

ABBOTT: Super Duper computer store. Can I help you?

COSTELLO: Thanks. I'm setting up an office in my den and I'm thinking about buying a computer.

ABBOTT: Mac?

COSTELLO: No, the name's Lou.

ABBOTT: Your computer?

**COSTELLO:** I don't own a computer. I want to buy one.

**ABBOTT:** Mac?

**COSTELLO:** I told you my name's Lou.

**ABBOTT:** What about Windows?

**COSTELLO:** Why? Will it get stuffy in here?

**ABBOTT:** Do you want a computer with Windows?

**COSTELLO:** I don't know. What will I see when I look in the windows?

**ABBOTT:** Wallpaper.

**COSTELLO:** Never mind the windows. I need a computer and software.

**ABBOTT:** Software for Windows?

**COSTELLO:** No. On the computer! I need something I can use to write proposals, track expenses and run my business. What have you got?

**ABBOTT:** Office.

**COSTELLO:** Yeah, for my office. Can you recommend anything?

**ABBOTT:** I just did.

**COSTELLO:** You just did what?

**ABBOTT:** Recommended something.

**COSTELLO:** You recommended something?

**ABBOTT:** Yes.

**COSTELLO:** For my office?

**ABBOTT:** Yes.

**COSTELLO:** OK, what did you recommend for my office?

**ABBOTT:** Office.

**COSTELLO:** Yes, for my office!

**ABBOTT:** I recommend Office with Windows.

**COSTELLO:** I already have an office with windows. OK, let's just say I'm sitting at my computer and I want to type a proposal. What do I need?

**ABBOTT:** Word.

**COSTELLO:** What word?

**ABBOTT:** Word in Office.

**COSTELLO:** The only word in office is office.

**ABBOTT:** The Word in Office for Windows.

**COSTELLO:** Which word in office for windows?

**ABBOTT:** The Word you get when you click the blue "W".

**COSTELLO:** I'm going to click your blue "w" if you don't start with some straight answers. OK, forget that. Can I watch movies on the Internet?

**ABBOTT:** Yes, you want Real One.

**COSTELLO:** Maybe a real one, maybe a cartoon. What I watch is none of

your business. Just tell me what I need!

ABBOTT: Real One.

COSTELLO: If it's a long movie I also want to see reel 2, 3 & 4. Can I watch them?

ABBOTT: Of course.

COSTELLO: Great! With what?

ABBOTT: Real One.

COSTELLO: OK, I'm at my computer and I want to watch a movie. What do I do?

ABBOTT: You click the blue "1".

COSTELLO: I click the blue what?

ABBOTT: The blue "1".

COSTELLO: Is that different from the blue w?

ABBOTT: The blue "1" is Real One and the blue "W" is Word.

COSTELLO: What word?

ABBOTT: The Word in Office for Windows.

COSTELLO: But there's three words in "office for windows."

ABBOTT: No, just one. But it's the most popular Word in the world.

COSTELLO: It is?

ABBOTT: Yes, but to be fair, there aren't many other Words left. It

pretty much wiped out all the other Words out there.

COSTELLO: And that word is real one?

ABBOTT: Real One has nothing to do with Word. Real One isn't even part of Office.

COSTELLO: STOP! Don't start that again. What about financial bookkeeping? You have anything I can track my money with?

ABBOTT: Money.

COSTELLO: That's right. What do you have?

ABBOTT: Money.

COSTELLO: I need money to track my money?

ABBOTT: It comes bundled with your computer.

COSTELLO: What's bundled with my computer?

ABBOTT: Money.

COSTELLO: Money comes with my computer?

ABBOTT: Yes. No extra charge.

C

COSTELLO: I get a bundle of money with my computer? How much?

ABBOTT: One copy.

COSTELLO: Isn't it illegal to copy money?

ABBOTT: Microsoft gave us a license to copy money.

**COSTELLO:** They can give you a license to copy money?

**ABBOTT:** Why not? THEY OWN IT!

A few days later.

**ABBOTT:** Super Duper computer store. Can I help you?

**COSTELLO:** How do I turn my computer off?

**ABBOTT:** Click on "Start".

## Consumer Tips

(Contributed by Karen Teucher.... Thanks Karen)

**Another way to Unlock Your Car**

**One can't believe it, but this works -- who'd a "thunk" it???**

**Have you locked the keys in the car?**

**If you have remote control car lock on your key chain to unlock your car here is the solution if you lock your keys in the car and the spare keys are home.**

**Call someone at home on your cell phone and ask them to get your car keys. Hold your cell phone about a foot from your car door and have the other person at home press the unlock button on your keys while holding it near the phone on their end.**

**Your car will unlock. It will save someone from having to drive your keys**

**to you. Distance is no object. You could be hundreds of miles away, and**

**if you can reach someone who has the "remote" for your car, you will**

be

able to unlock the doors (or the trunk this way!)

It works fine! We tried it out and it unlocked our car over a cell phone each time we tried it.

~~~~~

**Consumer feed back from last time...  
(From Steff Burns... thanks Steff...)**

RE: Getting out blood stains--also treat with any good stain remover (such as Shout) before putting the article in the washer. Even old blood stains comes right out.

~~~~~

**This is no joke. I hope you can see this picture taken by the Hubble Telescope in space: (Shared by Clint Long.... Thanks Clint)**

Can you imagine looking through a telescope into space and God is looking back in the other end of the telescope? This was entirely too cool not to share! This is a real picture.....

THIS IS A PICTURE NASA TOOK WITH THE HUBBLE TELESCOPE.

IT IS SIMPLY CALLED "THE EYE OF GOD." WAS TOO AWESOME TO DELETE. THOUGHT IT WAS WORTH SHARING

(NOTE: I do not have copyright permission to reprint this photo so I may have to remove it if someone complains.... Cv)
