EGG ON FACE: Last Sunday I had to leave for Portland, OR for the start of a Software Quality Conference and before I left I totally SPACED IT on sending out the Funnies. Sorry... but Mary and John reminded me (I guess they are the only two friends that I have any more that actually read the funnies ha ha ha)... but by the time they remind me I had forgotten it was too late. I was already in Portland. So I could not send funnies out. BUT HERE THEY ARE... A day late (well a week late) and a dollar short... Hope you did not have "**FUNNIES WITHDRAWAL**" waiting for me to get home from Portland.

Wisdom For The Week :

You have influence on others even when you don't try. For good or for bad. That part depends on you.

A guy took his girlfriend to her first football game. They had great seats right behind their team's bench.

After the game, he asked her how she liked the experience.

"Oh, I really liked it," she replied, "but I just couldn't understand why they were killing each other over 25 cents."

Dumbfounded, her date asked, "What do you mean?"

"Well, they flipped a coin, one team got it and then for the rest of the game, all they kept screaming was: 'Get the quarterback! Get the quarterback!' I'm like...Helloooooo? It's only 25 cents!!!!"

Consumer Tips

When you want to put away an extension chord save up your empty toilet paper rolls or paper towel rolls (for bigger chords). Loop the chord back and forth to make a small bunch that will fit inside the empty paper roll then put it away in your the drawer. That way, they wont get tangled up.
