**FRIENDS ARE WORTH MORE THAN GOLD:** Thanks to all of you who wrote back to let me know you got the Funnies (FINALLY). I am relieved to know some one actually is getting them and to my amazement EVEN READING THEM. I love sending out the Monday Funnies because it helps me stay in touch with you. If you ever "don't get them" it is probably because you changed your email address and forgot to tell me..... I always send them out even if they are late. And I'M GLAD WE CAN STAY IN TOUCH even if its just you reading the Monday Funnies each week. That way we at least know that neither one of our names were in the obituary column this week.

## Wisdom For The Week :

Truly friends are worth more than gold...  
You know that, and I know that....  
But you have to be one to have one

## MoNdAy FuNnIeS

(Contributed by Brenda Pitts.... thanks Brenda...I'll be to the phone booth soon!)

There is the story of a pastor who got up one Sunday and announced

to his congregation: "I have good news and bad news. The good news is, we have enough money to pay for our new building program. The bad news is, it's still out there in your pockets."

~~~~~ and ~~~~~

While driving in Pennsylvania, a family caught up to an Amish carriage. The owner of the carriage obviously had a sense of humor, because attached to the back of the carriage was a hand printed sign...

**Energy efficient vehicle: Runs on oats and grass.**

**Caution: Do Not step in exhaust.**

## Consumer Tips

Did you know that if your car is sitting running idle more than 30 seconds it is cheaper to turn it off and restart it again when you are ready to go? How many times have you sat 5 minutes with the car running, waiting for someone to come out of the house or from school? How many times have you waited 3 or 4 minutes at the bank teller or at the drive through for 3 or 4 minutes waiting? Have you ever left your car running while someone "JUST RAN INTO STORE TO GET ONE THING?" and it turned out to be 5 minutes? Have you ever left it running while your passenger went into the post office to get the mail? Turn it off and start it again and save the gas. That IS A BIG DEAL now days... And I hope you never leave it running while YOU GO anywhere leaving it unattended. That is one of the major ways cars are stolen!
