Wisdom For The Week :

*Thoughts unexpressed will often fall back dead.
But God Himself can't kill them, once they are said!*

MoNdAy FuNnIeS

A man and his wife are sitting in the living room and he says to her: "just so you know, I never want to live in a vegetative state, dependent on some machine. If that ever happens, just pull the plug"

His wife gets up and unplugs the TV.

Consumer Tips

Lots of people going up and down ladders this time of year. Safety tip! Never go down a ladder facing out. Always face the ladder and make sure the ladder is leaning against the house or wall at enough angle it

will not go over backwards with you. If it is a single span ladder make sure the base is secure so it will not slip out from under you. If at all possible, it is best to have a second person holding the ladder for you to steady it while you are on it. Lots of people get hurt in ladder accidents this time of year. That star on top of the tree is not worth 9 months with a broken leg.

Oh and by the way... it is only 378 days until next Christmas if you want to start shopping a little early.... Cv
