Wisdom For The Week :

All men and women are created equal

It is after they are created

That we tend to make them unequal

1. Avoid riding in automobiles
because they are responsible for
20% of all fatal accidents.

2. Do not stay home because
17% of all accidents occur in the home.

3. Avoid walking on streets or sidewalks because 14% of all accidents occur to pedestrians.

4. Avoid traveling by air, rail, or water because 16% of all accidents involve these forms of transportation.

5. Of the remaining 33%,
32% of all deaths occur in Hospitals.
So,
... above all else,
avoid hospitals.

BUT ,

... You will be pleased to learn that only 001% of all deaths occur in worship services in church, and these are usually related to previous physical disorders. Therefore, logic tells us that the safest place for you to be at any given point in time is at church!

...And...Bible study is safe too. The percentage of deaths during Bible study is even less.

So,...for SAFETY'S sake -
Attend church,
and read your Bible
IT COULD SAVE YOUR LIFE!
