Wisdom For The Week :

Achieving perfection is a journey not a destination

Cordell Vail

(Contributed by Dixie Lodholm.... thanks Dixie)

What equals a 100% in life?

Here's a little mathematical formula that might help you answer these questions:

If:

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

Is represented as:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25
26

Then:

H-A-R-D-W-O-R-K

$$8+1+18+4+23+15+18+11 = 98\%$$

AND

K-N-O-W-L-E-D-G-E

$$11+14+15+23+12+5+4+7+5 = 96\%$$

BUT,

A-T-T-I-T-U-D-E

$$1+20+20+9+20+21+4+5 = 100\%$$

and, look how far the love of God will take you

L-O-V-E-O-F-G-O-D

$$12+15+22+5+15+6+7+15+4 = 101\%$$

Therefore, one can conclude with mathematical certainty that:

While Hard Work and Knowledge will get you close and Attitude will get you there, it's the LOVE OF GOD that will put you over the top.

And as for feed back on the funnies..... well at least SOMEONE is reading them. Here is one persons opinion of last weeks funnies ha ha ha

What terrific, informative info! Thank you!

Lisa

# Consumer Tips

More cars stolen this week in Seattle this week (according to the News) because of the cold and people leaving their car running in the morning to warm it up. HELLO!!!! Just make a second key. Well they cant say we didn't try to warn them can they? But it may not be just that simple on newer cars. Read this subscriber feed back from Mo Muller

I don't know about your car, but my remote won't work if there is a key in the ignition.

P.S.:After letting people into their locked cars for fifteen years as a locksmith, I suggest a second, or even a third key, is a good idea.

P.P.S.: I l-o-o-o-v-v-v-e monday funnies. Thanks, Morrel (Mo) Muller

~~~~~

And feed back from 2 weeks ago:

Hi Cordell,

Excellent tip this week but how about the 'absolute, definitive' guide to tracking who is really calling you when you see a toll-free (800, 877,888,866) number on your caller id but the name is shown as "Unknown Name"? Most toll-free numbers do not track through Google and if you attempt to find a "Toll-Free Numbers Guide" there are thousands of them...

Keep cheering up my Mondays...

John 🤪

Carrying Cat Litter in the trunk of your car may help you get out of an ice storm safely. It is light and cheap. Salt, sand or Ice Melt work too but they are bulky and heavy. Cat Litter works just as well to help you get unstuck or drive over an ice patch in the road.

Isn't winter fun?
