KIDS AT CHURCH

Jesus' Dad's Name

A Sunday school teacher asked her class, "What was Jesus' Mother's name?"

One child answered, "Mary."

The teacher then asked, "Who knows what Jesus' father's name was?"

A little kid said, "Verge."

Confused, the teacher asked, "Where did you get that?"

The kid said, "Well, you know they are always talking about Verge n' Mary.'"

Say What You Heard Prayer

3-year-old, Reese:

"Our Father, Who does art in heaven, Harold ! is His name.

Amen."

Little Boy Praying

A little boy was overheard praying:

"Lord, if you can't make me a better boy, don't worry about it.

I'm having a real good time like I am."

The Last Commandment

A Sunday school class was studying the Ten Commandments.

They were ready to discuss the last one.

The teacher asked if anyone could tell her what it was.

Susie raised her hand, stood tall, and quoted,

"Thou shall not take the covers off the neighbor's wife."

A Christian Home

After the christening of his baby brother in church,

Jason sobbed all the way home in the back seat of the car.

His father asked him three times what was wrong.

Finally, the boy replied,

"That preacher said he wanted us brought up in a

Christian home, and I wanted to stay with you guys."

Deliver Us From Evil

I had been teaching my three-year old daughter, Caitlin, the

Lord's Prayer for several evenings at bedtime,

she would repeat after me the lines from the prayer.

Finally, she decided to go solo.

I listened with pride as she carefully enunciated

each word right up to the end of the prayer:

"Lead us not into temptation," she prayed,

"but deliver us some E-mail.

Forgive Us Our Trespasses

One particular four-year-old prayed,

"And forgive us our trash baskets

as we forgive those who put trash in our baskets."

Quiet In Church

A Sunday school teacher asked her children, as they were on the way

to church service, "And why is it necessary to be quiet in church?"

One bright little girl replied, "Because people are sleeping."

The 2 Ushers

Six-year-old Angie and her four-year-old brother Joel were sitting together in church.

Joel giggled, sang, and talked out loud. Finally, his big sister had had enough.

"You're not supposed to talk out loud in church."

"Why? Who's going to stop me?" Joel asked.

Angie pointed to the back of the church and said,

"See those two men standing by the door?"

They're hushers."

Moral Lesson

A mother was preparing pancakes for her sons, Kevin, 5 and Ryan 3.

The boys began to argue over who would get the first pancake.

Their mother saw the opportunity for a moral lesson.

"If Jesus were sitting here, He would say,

'Let my brother have the first pancake, I can wait.'"

Kevin turned to his younger brother and said, "Ryan, you be Jesus!"

Died And Went To Heaven

A father was at the beach with his children when the four-year-old son ran up to him, grabbed his hand, and led him to the shore where a seagull lay dead in the sand.

"Daddy, what happened to him?" the son asked.

"He died and went to Heaven," the Dad replied.

The boy thought a moment and then said,

"Did God throw him back down?"

Dinner Blessing

A wife invited some people to dinner. At the table, she turned to their six-year-old daughter and said, "Would you like to say

the blessing?"

"I wouldn't know what to say," the girl replied.

"Just say what you hear Mommy say," the wife answered.

The daughter bowed her head and said, "Lord, why on earth did I invite all these people to dinner?"

Consumer Tips

ANTS AND ANIMAL EAR MITES:

I don't know about you but we are already being invaded by ants in our house again. It seems to happen ever spring as soon as the warm weather comes. 3 years ago we paid Orkin \$800 to come and eradicate all the little pests in our whole house. Their solution for the ants? They just put their business cards around under the edge of the

counters and at the edge of places where the ant trails were at. Really! Well they did a little more than that. On the business cards he put drops of a Milky colored solution that was about the consistency of honey. So I asked him what it was.

Here is the ORKIN ANT FORMULA (I should charge for this.... they did):

1 tsp sugar

4 tsp water

Stir until dissolved

add 1 1/2 tsp boric acid (you can get it at any drug store)

You can add food coloring if you want so it is easier to see where it is.

Now pour into milk jug lids and place the lids where the ant trails are. As I said, Orkin poured drops of the solution on their business cards then placed them behind things on our counter... what an advertising gimmick... those cards sat on our kitchen counter top behind the toaster all year.

They of course did other things for our house for pests but that was all they did to get rid of the ants and it worked. But we have to do it again every year. For free this time however.

One other note: After doing a little research on Boric Acid (worried because it was an acid) I discovered it is not harmful to touch and in fact if you have a dog or cat if you put a tiny pinch of it in their ears once in a while it will kill their ear mites dead stop. No more \$33 ear mite drops from the vet for us. I think it actually has worked better than the commercial drops.
