Consumer Tips

If you are like me, I have a whole drawer full of old keys that I have no idea what they go to. Here is an idea to help. When you get a new key, take a 3 x 5 card and make an outline of the key and then write on the card what it is for. Then keep a card index box with your key index cards in it. Later if you have a key you don't know what is, compare it to the cards. If you have keys you don't use very often you can even tape the key to the card so you know right where they are.

(Ummm I wonder if anyone is really that organized?)

GARDENING TIP

You are likely into gardening now. In most areas of the country your peas should be up by now and if you are daring even beans and corn. Here are some pictures of the black plastic idea I told you about earlier to keep weeds out of your garden. (These pictures are inside my green house but it works just as well in your garden outdoors to keep weeds away:

My peas coming up through the hole in the black plastic

My beans coming up through the hole in the black plastic

NOW WEEDS.... WAHOOOOOO!!!!!!!!!!!!!!

Make it a wonderful and happy week!!!!

The happy friends in your life,
