Wisdom For The Week :

Work harder on yourself than you work on your job.

If you work hard on your job you make a living.

If you work hard on yourself, you make a fortune.

Visual Aids Are Helpful

A Southern Baptist minister decided that a visual demonstration would add emphasis to his Sunday sermon.

Four worms were placed into four separate jars.

The first worm was put into a jar of alcohol.

The second worm was put into a jar of cigarette smoke.

The third worm was put into a jar of chocolate syrup.

The fourth worm was put into a jar of good clean soil.

At the conclusion of the Sermon, the Minister reported the following results:

The first worm in alcohol - Dead.

The second worm in cigarette smoke - Dead.

Third worm in chocolate syrup - Dead.

Fourth worm in good clean soil - Alive.

So the Minister asked the congregation - What can you learn from this demonstration?

A little old woman in the back quickly raised her hand and said, "As long as you drink, smoke and eat chocolate, you won't have worms!"

TipS

Has anyone ever heard of this or tried it? Lisa Chidister said she found it and sent it along to me. I hate ants. If you have tried it and it works please let us know.... (Thanks Lisa.....)

Get Rid of Ants

Put small piles of cornmeal where you see ants. They eat it, take it "home," & can't digest it so

it kills them. It may take a week or so, esp. if it rains, but it works & you don't have the worry about pets or small children being harmed!

Emergency Preparedness

TIPS

Well..... I have spent over 40 hours since last week adding things to our new emergency preparedness web page at www.goldenmailbox.com/ep And I don't even have 5% of my already in hand stuff there yet. Whew! What a lot of work.

So each week from now on, when we have gardening tips or other emergency preparedness tips in the **MoNdAy FuNnleS**, they will also be posted to the emergency preparedness tips web page, where you can look up past tips.

With all the disasters that are happening around the country these days, I hope that this section of the **MoNdAy FuNnleS** will help all of us get better prepared. I hope that if you have any ideas about emergency preparedness, that you will be willing to share them with others. Please send them along to me so we can include them. Unless you tell me otherwise, I will also credit you by name as the person having shared the tip. Sharing from others, is where most of these ideas come from.

I will not put a new tip here this week. You can spend the time you would have spent reading it to go look at the new web page. Your feed back would be very much appreciated. I would like to know if you think this new web page will be of value to you?

Make it a wonderful and happy week!!!!
