MoNdAy  FuNnIeS

I just had to share this because it is one of my most favorite foods in the world....
I found it in the Readers Digest July 2007 issue page 157

LAZINESS I THE MOTHER OF INVENTION

When Momofuku Ando passed away recently, he left behind one of the great modern inventions: Ramen noodles. According to *The New York Times*, he also left us a great motto to live by: "Teach a man to fish and you feed him for a lifetime. Give him Ramen noodles, and you don't have to teach him anything."

Consumer TipS

As you get older, if you find you are having trouble with allergic reactions to the soap you are washing your clothes in, try washing your clothes (especially your underwear) in baby clothes detergent (but you are not allowed to cry).

Could you contacted your neighbors
in an emergency to see if they are OK?
