## Wisdom For The Week :

"The only thing that stands between a man and what he wants from life is often merely the will to try it and the faith to believe that it is possible."

Never drive on wet or icy pavement with your cruse control on. If you hydro-plane on the wet road, or slide on the ice, your car will continue to accelerate and cause you to lose control of the car. (NOTE: Some vehicles like the Toyota Sienna Limited XLE, will not allow you to set the cruise control when the windshield wipers are on.)

(I checked this out in URBAN LEGENDS and they say that is true... Cordell)
