The MoNdAy FuNnIeS were started on the 22nd of Sept 1997 so we could better stay in touch with our family and close friends. That is 10 years of trying to help you smile every Monday Morning.

**Now that is a lot of smiles!**

## Wisdom For The Week :

We don't need to have a national disaster or a country wide depression to have troubles enough of our own right in our own home.

That is when you find out who your truest friends are.

Here's a thought.....

why do we put real lemons in furniture polish and make lemonade out of artificial lemon?

~~~~~

And it has been a long time since we had a "Southern Joke"... so here is one Carlton Schultz wanted to share with us... (And by the way he is a native North Carolinian, so he can tell such jokes and not offend those who live there.... Thanks for the smile Carlton)

**NOTICE:**

Due to the climate of political correctness now prevailing in America.... Kentuckians, Tennesseans, North Carolinians, Virginians and West Virginians will no longer be referred to as "HILLBILLIES."

You must now refer to us as APPALACHIAN-AMERICANS.

Thank you!

Now if you'll excuse me, I got possums to fry!!!!!!!!!!

**Consumer**  **TipS**

For those of you who have young children or grand children coming to visit, did you know you can make your own Play Dough? We have been doing it for years... You just keep it in the fridge in plastic zip lock bags and when the kids want to play with it you take it out for them. Here is all you need to do:

4 cups flour

1/2 cup salt

4 teaspoons alum

2-1/2 cups boiling water

Food Coloring (you can make several colors)

Mix the food coloring into the boiling water and then add the other 3 ingredients into the mixing bowl and mix well. If you want different colors make several batches, each a different color.

Let cool. Keep in your refrigerator uncovered for one day, then in a covered container or plastic zip lock bag. Will keep indefinitely.

Make it a wonderful and happy week!!!!
