Consumer Tips

I know we talked about this before but hearing it twice is better than not hearing it at all. Now it is time to rake the leaves off your lawn. If you leave them there very long they will pack down, starve the lawn of oxygen and light and kill the lawn. To move the leaves really easy, just get a tarp. Rake the leaves onto the tarp and pull it to where you want to dump them. A tarp makes a wonderful little "LEAF TRUCK".

Make it a wonderful and happy week!!!!

The happy friends in your life,
