Fall Gardening

Not everyone is into gardening. A woman was wanting to get her fall garden planted. Her husband mentioned he was going to go to Home Depot later that day. She said, "Would you pick up some tulip bulbs for me?" He said, "Sure, what watt?"

Asylum

A psychiatrist gets a new job at an insane asylum, and he's making his rounds for the first time.

"What's your name?" he asks the first patient he meets.

"I am Napoleon!" the patient replies.

"How do you know that?" asks the doctor.

"God told me so."

"I did not!" yells a patient sitting nearby.

Consumer Tips

Save a little dish washing.....

When you are going to measure something gooey like honey, butter or Miracle Whip, just put a sheet of plastic shrink wrap in the measuring cup first. After you are done, just throw away the plastic wrap and your measuring cup is still clean.

Make it a wonderful and happy week!!!!
