Idle Thoughts of a Retiree's Wandering Mind

~~~ I planted some bird seed. A bird came up. Now I don't know what to feed it.

~~~ I had amnesia once -- or twice.

~~~ I went to San Francisco . I found someone's heart. Now what?

~~~ Protons have mass? I didn't even know they were Catholic.

~~~ All I ask is a chance to prove that money can't make me happy.

~~~ What is a "free" gift? Aren't all gifts free?

~~~ They told me I was gullible and I believed them.

~~~ Teach a child to be polite and courteous in the home and, when he grows up, he'll never be able to merge his car onto the freeway.

~~~ Experience is the thing you have left when everything else is gone.

~~~ One nice thing about egotists: they don't talk about other people.

~~~ My weight is perfect for my height -- which varies.

~~~ I used to be indecisive. Now I'm not sure.

~~~ The cost of living hasn't affected its popularity.

~~~ How can there be self-help "groups"?

~~~ If swimming is so good for your figure, how do you explain whales?

~~~ Is it me -- or do buffalo wings taste like chicken?

Consumer Tips

If you have not heard, the red cross has decided to ask people to not do mouth to mouth resuscitation any more. They are recommending that you have someone call 911 and then just do the compressions on the chest until help arrives. You do not need to be Red Cross certified to do that. They found that many people were actually not willing to give mouth to mouth because of the fear of infections so they made the change. They say that your brain has enough oxygen to survive if you can keep the heart pumping until help arrives. There are exceptions of course. You can see details at:
